Premier Savikataaq offers congratulations on Tallurutiup Imanga

Premier Joe Savikataaq today released the following statement:

“Today, I extend my congratulations and support to the Qikiqtani Inuit Association (QIA) on the successful negotiation of an Agreement in Principle for the Inuit Impact and Benefit Agreement for *Tallurutiup Imanga*.

This is a significant milestone for Inuit in the Qikiqtani region, and one that will have positive, direct impacts to residents of North Baffin.

I look forward to working closely with QIA and the Government of Canada on the process moving forward with respect to *Tuvaijuittuq*. Ensuring that our three parties – the Government of Nunavut, QIA and the federal government – are all involved and invested in conservation areas in the territory. We look forward to advancing the memorandum of understanding and participating in the work related to the *Tuvaijuittuq* feasibility study.”
