Sakku School consultations in Coral Harbour

Start Date: January 16, 2020

End Date: January 21, 2020

Coral Harbour, Nunavut

The Government of Nunavut (GN) is looking for feedback on the major renovation and addition of Sakku School in Coral Harbour.

An upgrade of the existing school means the community will have access to a large gym and offer more services for young children, their parents and students with special needs. New classrooms will support future growth and more cultural programming.

Feedback from community members and organizations will help the GN build a healthy and vibrant school, that meets the needs of Coral Harbour and its residents for years to come.

The public consultation will start on Tuesday, January 21, 2020, from 6:30 p.m. to 8:30 p.m., at Sakku School's gymnasium.

To find out more about the proposed changes and how to provide feedback, please contact Sakku School Principal Travis Klak at TKlak@gov.nu.ca or at 867-925-9923.
