The Department of Family Services' Income Assistance Division informs Nunavummiut that T5007 tax slips for 2019 Income Assistance recipients have been further delayed and will be issued by mail the week of May 18, 2020.

To provide greater flexibility to those who may be experiencing hardships during the COVID-19 outbreak, the Canada Revenue Agency has deferred the return filing date deadline for 2019 tax returns for individuals until June 1, 2020.

For further questions about T5007 tax slips and what income assistance recipients can do, please call your community Income Assistance Worker. If you choose to file your income tax early, the Income Assistance Worker can provide you with an estimate of your T5007. However, you will be required to file an amended income tax return once the T5007 is mailed in May.
