FACT SHEET: INCOME ASSISTANCE:

Rent and Utility Payments:

Self reliance involves continually planning and preparing for the future. This includes planning your money and spending money on things we need first.

Everyone who has signed a lease or has an account with QEC is responsible for paying their bills each month. This is done through paying your landlord directly and paying your utilities to QEC and your fuel provider.

By knowing and planning your finances and paying your bills you are providing for your family and taking care of your home.

If you are eligible for Income Assistance you can choose to pay your rent and utilities, and the funds can be provided directly to you to the pay your bills. It can also be set up so that the program provides the funds on your behalf. Please discuss your options with your Income Assistance Worker.

If you are receiving EI, CRB, or CRCB remember to plan and pay your bills directly to your landlord or to QEC.

- QEC can be reached at 1-866-710-4200.
    - Call them if:
        - you have obtained a residence or moved residences
        - you need to set up an account
        - you need to know where to pay your bill
        - you have missed a payment and have arrears
        - you have received a disconnect notice
