CAREER ACHIEVEMENT RECORD

CONSENT FORM

The Government of Nunavut has created new initiatives for employees wishing to participate in programs as outlined in the GN HR Strategy.

The Sivumuaqatigiit Division is overseeing these programs, and the Career Planning Specialist (CPS) can assist in administering the career achievement record. Once completed the participant is given a chance to review/approve the information and submit it for their file.

At the end of the program, individuals may choose to retract their career achievement record.

Section 48 (g) of the Access to Information and Protection of Privacy (ATIPP) states "the public body may disclose personal information for the purpose of hiring, managing or administering personnel the Government of Nunavut or a public body."

"I hereby, give the Government of Nunavut permission to gather information regarding my education and employment information as part of the career achievement record personnel file."
