

COMMON TRAVEL AREA: NWT AND CHURCHILL

The Common Travel Area exempts travellers from isolation requirements under certain conditions:

1. Travel must originate from within the Common Travel Area.
2. Travellers must not have been outside the Common Travel Area for 2 weeks prior to their travel.
3. Travellers must remain in the Common Travel Area for the duration of their stay.

Don't forget!

To travel into Nunavut, all passengers must have a **letter of authorization** from the Chief Public Health Officer.

To receive this letter, email a completed Traveller's Declaration Form to CPHOTravelRequests@gov.nu.ca within 7 days of your return flight.

More information and forms can be found at <https://gov.nu.ca/health/information/travel-and-isolation>.

Before departure, ensure you're aware of the current restrictions and public health measures in place in the jurisdiction you are travelling to.
