Declaration

I, _____ (Full Name), of _____ (Community), Nunavut, understand that I will only receive monthly rent supplements for the months during which I am enrolled as a full-time post-secondary student and an eligible recipient of the supplementary grant. I understand that I will not begin to receive monthly rent supplements from FANS until my Student Enrolment Form (SEF) is submitted.

I understand that FANS will conduct regular audits of my student file and may ask for supporting documents to verify the information I submit. I understand that if I receive monthly rent supplements for which I am not eligible, these will be considered overpayments that I will be responsible for repaying to FANS. Similarly, if it is found that I receive monthly rent supplements that are greater than the amount I actually pay in rent, I will be responsible for repaying the difference to FANS.

I understand that if it is found that I have received overpayments, I may be ineligible for FANS benefits in the future.

I confirm that I will not be receiving monthly rent supplements to pay for a Government of Nunavut public or staff housing unit that has been sublet. **If it is found that this is the case, the situation may be referred to the Nunavut Housing Corporation for investigation.**

I understand that I must inform FANS and resubmit this application and accompanying rental documents if any of the above information changes during the academic year.
