Proposal Title:

Sponsor Organization:

Community:

Tell us about your project:

What is your project about?

What are the goals of your project?

When do you plan to start your project?

When does the project end?

Why is this project important to your community?

How will this project improve existing services and programs?

Who is involved:

Who will participate in this project?

What people, groups, organizations were involved in planning this project?

How are the people, groups, organizations going to continue to work together?

Are there other partner groups and organizations? If so, what are their roles?

Who will deliver the project?

What facilities and equipment will be needed:

Where do you plan to deliver this project?

What equipment are you planning to use?

How much will the project cost:

What exactly are you planning to spend the money on?

How much are you planning on spending on each item? (Attach a detailed budget)

Are there other groups and organizations that you will be getting money from?

Are there any people, groups or organizations that will be providing other resources (in kind) to the project ?
(eg. Buildings, equipment, services, etc.)

How much money are you asking for from the Healthy Children Initiative?

When do you need the money?

How are you going to know if the project is a success:

When you project is over, how will you know if it was successful?

How will you know if you have achieved your goals of the project?
