Nunavut approved curriculum and teaching resources

Included in this document are grade-specific lists of teaching resources that are approved for use in Nunavut by the Department of Education. It is mandatory that teachers use the approved curriculum guides in the delivery of education for each strand.

The following curriculum and resources have been produced in Nunavut or have been adopted from other jurisdictions including NWT, Alberta, Saskatchewan, and Manitoba. All of these resources form the foundation of educational programs in Nunavut.

Listed below are important contacts and sites that will be of assistance in locating curriculum resources:

- Curriculum and School Services division of the Department of Education, located in Arviat (867-857-3086)
- 2014-15 Secondary School Administration Handbook
