Nunavut-wide 75 sec

The Government of Nunavut is reminding eligible Nunavut employers to apply for the Nunavut Essential Workers Wage Premium (NEWWP). The deadline is **September 30, 2020**. Applications received after this date will not be processed.

NEWWP was created to financially support essential workers in key sectors. A wage premium is an extra amount that employers pay their employees on top of their regular pay. Employees earning less than \$25 per hour in base wages may be eligible for a premium up to \$5 per hour.

Funding for this initiative is provided by the Government of Canada, as part of its wider support for Canadians during the COVID-19 pandemic.
