The Department of Education is inviting youth between the ages 13 to 18 and post-secondary students to apply for the *Explore* and *Destination Clic* programs.

Explore is a free three- to five-week spring or summer French immersion online experience. Students learn and practice their French language skills and get to strengthen their understanding of Francophone culture. No previous French language experience is required. Deadline to apply is May 31, 2021.

Destination Clic is a three-week summer program tailored to help francophone youth nurture their sense of cultural belonging and francophone identity at home and elsewhere in Canada. Only students enrolled in a French-as-a-First-Language school program are eligible. Deadline to apply is March 31, 2021.

The *Explore* and *Destination Clic* programs will be delivered online due to the COVID-19 pandemic. Apply now to give yourself the best chance to secure a spot!
