

Public Service Announcement

Iqaluit International Airport extremely busy during Arctic Winter Games

Start Date: March 3, 2016 End Date: March 12, 2016 Nunavut

30 sec

During the Arctic Winter Games, the Iqaluit International Airport will be extremely busy.

On March 4, 5, 11 and 12, scheduled passengers will have access to the terminal and airport parking lot, but space will be limited. Athletic teams will receive priority.

On March 11, when athletes return to Canada from Greenland, the entire terminal will be required to clear them through customs.

This is an exciting time for our athletes and we thank you for your co-operation in ensuring their travels are as quick, efficient and safe as possible.
