Nunavummiut students: do you want to get work experience with the Government of Nunavut? You can now apply to the 2017 Summer Student Employment Equity Program (SSEEP).

The SSEEP is offered every year to encourage continuous learning and foster youth development for secondary and post-secondary students. Participating students develop their skills and improve their employability after graduation.

For an application form or for more information, visit our <u>summer student web page</u> at <u>www.gov.nu.ca/information/summer-student-jobs</u>.

Final deadline to apply is July 14, 2017, but many jobs are available beginning in late April. The earlier you get your application in, the more chances you have to get a summer job!
