2nd COVID-19 vaccination clinics for 12 to 17 year olds

Start Date: July 14, 2021 End Date: July 30, 2021 Nunavut-wide

The second round of Pfizer vaccines for Nunavut youth aged 12 to 17 is under way across the territory.

In Iqaluit, second doses of Pfizer will be given at NTI's mass vaccination clinic from July 14 to 17 at the curling rink from 1 to 10 p.m. This walk-in clinic is open to all Iqalummiut aged 12 and up, based on birth date. Anyone 18 and over can get the Moderna vaccine at this clinic as well.

People who have not received their first dose of the vaccine can do so at second dose clinics.

Community youth vaccinations clinics in all communities outside Iqaluit will be by appointment. Please call your local health centre to schedule an appointment.
