

## **Public Service Announcement**

## **COVID-19 second doses vaccine clinics for 5-11**

Start Date: January 27, 2022 End Date: February 23, 2022 Nunavut-wide

75 sec

The COVID-19 vaccine is Nunavut's best protection against COVID-19, and all Nunavummiut are encouraged to get vaccinated as soon as they are eligible.

The Department of Health is rolling out second dose vaccination clinics across the territory for ages 5 to 11. The COVID-19 pediatric Pfizer vaccine is available to those ages 5 to 11 who have received their first dose at least eight weeks ago.

In Iqaluit, COVID-19 vaccines continue to be offered at Iqaluit Public Health. Call 867-975-4810 to schedule an appointment. Upcoming scheduled clinics to administer the pediatric COVID-19 vaccine in communities will be:

Pediatric COVID-19 Vaccine Clinics			
Arviat	February 5 to 6	867-857-3100	
Sanikiluaq	February 5 to 6	867-266-8965

Schedule for vaccine arrival in all other communities is noted below. Please call your local health centre to book an appointment.

Pediatric Vaccines Arrive in Community			
Community	Dates	Call	
Baker Lake	January 29-31	867-793-2812	
Grise Fiord	January 31	867-980-9923	
Resolute Bay	January 31	867-252-3844	
Arctic Bay	January 31	867-439-8873	
Kugaaruk	February 2	867-769-6441	
Gjoa Haven	February 2	867-360-7441	
Taloyoak	February 2	867-561-5111	
Kugluktuk	February 3	867-982-4531	

COVID-19 vaccinations continue to be available to all eligible populations across the territory. Call your local health centre to book an appointment to receive your first, second or booster doses of a COVID-19 vaccine. Booster shots for individuals 18 and older are available to those who received their second dose 4.5 months ago and six months for those 11 to 17.

Physical distancing, hand hygiene and enhanced cleaning practices will be in place to help keep everyone healthy. For the protection of yourself and the community, you must wear a mask to your appointment.
