Firearm safety awareness events in Cambridge Bay

Start Date: February 20, 2024 End Date: March 4, 2024 Cambridge Bay, Nunavut

60 sec

The Department of Justice will host firearm safety awareness events in Cambridge Bay from March 4 to March 8 as part of the Qukiutiliritsiarniq Nunavummi – Firearm Safety Nunavut campaign.

In collaboration with Nunavut's Firearm Office, the Community Justice division will deliver Possession and Acquisition Licence (PAL) courses during the week. This licence permits you to acquire and store non-restricted firearms.

The Firearm Safety Nunavut Team will also host PAL renewal clinics so residents can renew licences and learn more about firearm safety. The team will be at the NCC building at 1 Kamotik Road during the week, ready to welcome residents with trigger locks and prizes.

The Community Justice division will continue to offer firearm safety courses, licence renewal clinics and safety-awareness events this year throughout Nunavut.

For more information and to apply for courses contact Qukiutiliritsiarniq Nunavummi-Firearm Safety Nunavut project coordinator Rebecca Rowan-Tsannie at <u>firearmsafetynu@gov.nu.ca</u>.
