

Office of the Chief Electrical Inspector (OCEI)

The OCEI provides information and services regarding plan reviews, permits, inspections, and registration for Electrical services. All electrical work shall be compliant to the requirements of the [Electrical Protection Act](#) and [Regulations](#).

Note: The Electrical Act is in the process of being repealed and replaced by the Technical Standards & Safety Act.

Electrical Work and Cable Installer Registration:

All qualified Electrical Workers and Cable Installers must be registered with the OCEI to undertake work for issued permits. Electrical Workers and Cable Installers must renew their registration every three years.

Electrical Permits:

A permit is required before work is done on any type of electrical or cable installations.
