| **Acknowledge each statement with your initials:** | **Initial** |
|---|---|
| • I understand that detection systems are meant only to alert the presence of bears and do not necessarily deter the bear. | _____ |
| • I understand that detection systems do not prevent bears from coming to camp, and clean camp practices are still required to reduce the attractants that may attract wildlife. | _____ |
| • I understand that detection systems require regular testing and maintenance to ensure that they work correctly. | _____ |
