

COMMUNITY AND GOVERNMENT SERVICES

HIGH SCHOOL COMPUTER AWARD POLICY

PREAMBLE

The Department of Community Government and Services (CGS) supports the goal of Article 23 of the NLCA regarding Inuit employment and the need for education and training. CGS recognizes that academic success in the field of Sciences and Mathematics encourages students to pursue further academic studies that may lead to a successful professional and technical career of choice.

POLICY

It is the Government of Nunavut's policy to support our youth and encourage learning and education opportunities in the Sciences and Mathematics; hence, one high achieving student would receive an award for their respective accomplishment.

PRINCIPLES

This policy is based on the following principles:

- Commitment to the Inuit Qaujjimajatuqangit principles of Piliriqatigiinniq/ Ikajuqtigiinniq (working together for a common cause) and Qanuqtuurniq (being innovative and resourceful);
- Recognition of the value of teaching and learning and the subsequent need to celebrate students' success in their studies;
- Recognition of the importance of studying the Sciences and Mathematics to equip young Nunavummiut with the knowledge and skills in preparation for their careers and to help them further their academic studies..

APPLICATION

This policy applies to all high schools in Nunavut with a qualified graduating student in a given year.

DEFINITIONS

Accomplishment in the Sciences and Mathematics – This is determined by the

principal of the school based on academic marks, good attendance and the student's interest in the Sciences and Mathematics over the course of their high school studies.

Eligible to graduate – means a student who has met all the requirements established by the Department of Education to graduate.

ROLES AND RESPONSIBILITIES

1. Minister

The Minister of CGS is responsible for the implementation of this policy.

2. Deputy Minister

The Deputy Minister of CGS:

- a. is responsible for the administration of all provisions pursuant to this policy;
